&ldquo;Earn While You Learn&rdquo; (EWYL) - First meeting was held on Jan.16th.

We are excited about this new program. We have entered a pilot program that enables us to learn how to better serve you. Many of our clients have been waiting patiently for the start of this new incentive adventure. You can learn more about the program by visiting Tab 3 (Services). The program is open to our existing clients first, but if you are interested in the program, we will be hosting a &ldquo;coming together&rdquo; time on Saturday April 10th. We will meet from 10-12 PM. We will have refreshments and an introduction to the program. You will also get an opportunity to meet the Client Advocates that will be working with you and if you come you will receive your first &ldquo;Baby Buck&rdquo;. We want to introduce you to a new and rewarding way that you can provide for your baby. It is important that you schedule so we&rsquo;ll know best how to provide.
